

Patient Information

Next Steps:

After you have submitted your application, please have your doctor fax or email an order for the services you are seeking.

Fax: 806-784-0698
womenshealth@ywcalubbock.org

After we verify your eligibility for our program, your information will be forwarded to the medical partner you selected.

After we verify your eligibility for our program, your information will be forwarded to the medical partner you selected.

You will be contacted directly by UMC or Covenant to set up your appointment. Please allow up to ten business days to hear from them. They may have additional questions, so please be prepared to for the phone call to take several minutes.

After 10 business days, if you have not heard directly from UMC or Covenant, please contact them. You will need to know your date of birth
